

EU customs law for advanced learners

Basic knowledge for handling your customs transactions

AUSSENWIRTSCHAFTS-AKADEMIE

HAMBURGER
ZOLLAKADEMIE

In this advanced training course, you will deepen and expand your knowledge of EU customs law. The webinar provides an in-depth understanding of key customs procedures and legal concepts, including customs declarations, tariff classification, customs valuation, origin of goods, customs debt law and export control.

Through practical examples and case studies, you will learn how to avoid common errors, minimise risks and handle complex customs transactions more efficiently in your daily work.

Attendance at this webinar will allow the consolidation and expansion of knowledge of European customs law. This will facilitate a more profound comprehension of the procedures in the customs department and the clearance processes at customs offices and render them more efficient.

The webinar will be held in English.
It consists of five sessions taking place from 1:00 pm to 4:30 pm on 22–24 and 27–28 July 2026 and is held in co-operation with AWA AUSSENWIRTSCHAFTS-AKADEMIE.

Participants are encouraged to submit questions, case studies and scenarios in advance.
